**COURSE:** The race begins at Hebron Elementary School located on Route 85. Runners will run south on Route 85 and pick up the Air Line Trail behind Route 85 Lumber. The race continues on the Air Line Trail through Colchester and into East Hampton. At the Trail Head runners will turn right onto Smith Street, left onto Flanders Road, and down Summit Street finishing at the back of the Center Elementary School. Shuttle Buses will be available for all the runners in each direction. The trail is flat and is surfaced with packed crushed stone.

**Why the name "Ghost Run":** In 1891 the New England Limited Railroad Co. purchased two plush Pullman luxury cars painted white with gold trim. The remainder of the train was white washed and the engine crews and staff were dressed in white overalls. The "White Train" became an instant success, carrying businessmen and the wealthy between Boston and New York. For people watching the locomotive and cars speeding through their trains, the train became known as the "Ghost Train".
